

Leader Steel Annual Calendar

Leader Steel Annual Calendar is a New Year's gift to our customers, thanking them for their continued support in our business. Every year, we partner with a local high school to design our calendar.

For 2018, we partnered with Kuching Chung Hua Middle School No. 3 to bring the Sarawak colours to our customers' office.

Picture shown here is our employees sharing the 2018 calendar with the talented art program teachers and students who contributed to our calendar making program.
