Based on the recommendation of the Nominating Committee, the Board of Directors ("Board") is satisfied with their performance and contributions of the following Directors and supports their re-election based on the following justifications. The retiring Directors had abstained from deliberation and decision making on their own eligibility to stand for re-election:

Re-election of Dato' Goh Cheng Huat

Dato' Goh has extensive experience and technical knowledge of the processing of iron and steel products. With more than 40 years in the industry, he has accumulated invaluable skills, which included amongst other, the invention and enhancement of steel making machines and its related processes.

Re-election of Datuk Abdullah bin Haji Kuntom

He has demonstrated his independence through his engagement in the meetings by sharing insights and independent viewpoints during meetings of Board and Board Committee. He also exercised his due care and carried out his professional duties proficiently during his tenure as an Independent Non-Executive Director of the Company.

Re-election of Goh Wan Jing

Explanatory Notes: (Cont'd)

3. The proposed Ordinary Resolution 6, if passed, is for the purpose of granting a renewed general mandate ("General Mandate") empowering the Directors of the Company, pursuant to Sections 75 and 76 of the Act to issue and allot new shares in the Company from time to time provided that the aggregate number of shares issued pursuant to the General Mandate does not exceed 10% of the total number of issued shares of the Company for the time being. The General Mandate, unless revoked or varied by the Company in general meeting, will expire at the next AGM of the Company.

The General Mandate will provide flexibility to the Company for any possible fund-raising activities, including but not limited to further placing of shares, for purpose of funding future investment projects, working capital and/or acquisitions as well as to avoid any delay and cost in convening general meeting to specifically approve such an issuance of shares.

The waiver of pre-emptive rights pursuant to Section 85 of the Act and Clause 66 of the Constitution will allow the Directors of the Company to issue new shares of the Company which rank equally to existing issued shares of the Company, to any person without having to offer the new shares to all existing shareholders of the Company prior to issuance of new shares in the Company under the General Mandate.

As at the date of this Notice, there were no new shares issued pursuant to the mandate granted to the Directors of the Company at the last AGM held on 30 May 2022 and which will lapse at the conclusion of this 30th AGM. If there should be a decision to issue new shares after the general mandate is obtained, the Company will make an announcement in respect thereof.

4. The proposed Ordinary Resolution 7, if passed, will obtain the Shareholders' Mandate for the Company and its subsidiaries to enter into specified recurrent related party transactions with Eonmetall Group Berhad and its subsidiaries as set out under Section 2.4 of the Circular which are necessary for the Group's day to day operations and are carried out in the ordinary course of business and are on normal commercial terms which are not more favourable to the related party than those generally available to the public and not detrimental to the minority shareholders. Further information on the Proposed Shareholders' Mandate is set out in the Circular to Shareholders dated 28 April 2023.
5. The proposed Ordinary Resolution 8, if passed, will allow the Company to purchase its own shares. The total number of ordinary shares purchased shall not exceed ten per centum (10%) of the total number of issued share (excluding treasury shares) of the Company. This authority will, unless revoked or varied by the Company in general meeting, expire at the next AGM in 2024.
